Subject: Request for Info - File # 0714-EX-CN-2017

Message:

Below is International Bureau comments regard to your application, please contact Joseph Hill if you have any questions about the comments below

There are some items that need to be addressed:

- 1) SpaceCap filing has multiple fatal errors. The TEMPEST-D filing has CUBERRT for the satellite name, which needs to be corrected as well.
- 2) The emission designators for the Globalstar transmitter and receiver in the SpaceCap do not align with the emission designators in the mission description.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 06, 2018 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
