Subject: Request for Info - File # 0688-EX-ST-2021

Message:

Given the maturation of the New Shepard reusable launch vehicle, NASA requests clarification concerning the requested facilities within this application. Specifically, will all of the requested telemetry systems be used on the booster portion of the launch vehicle or will some of these telemetry systems ultimately be used to support on-orbit operations of the capsule portion of the vehicle?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of May 19, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
