Subject: Request for Info - File # 0223-EX-CM-2021

Message:

At the Texas Location, there are two flight levels: 385 feet and 100 feet. At the Illinois location, the flight level is 100 feet.

We wanted to clarify that the requested authority on this application is for ground-based radars.

Please let us know if you need further information or if you have questions.

Thank you,
Kathleen Slattery Thompson
