

From: Ron Center

To: Leann Nguyen
Date: May 21, 2008

Subject: FCC File# 0055-EX-ML-2008

Message:

In response to your inquiry, and as discussed on the telephone, we will establish communications in accordance with our INMARSAT satellite access service agreement using one of the following geostationary satellites:

Pacific Area of Operation I3 - 3F3, located at 178 degrees east longitude

Atlantic Area of Operation I4 - 4F2, located at 53 degrees west longitude

If you require additional information please let me know.

Sincerely,
Ron Center
