Gentlemen:

Subject: Request for Experimental Licensing  
L-Band Radar System

Reference: Boeing Memo GG-GG-8935-RBD-1053, October 7, 2002, same  
subject.

The enclosed FCC Form 159 and appropriate remittance are forwarded in  
accordance with instructions contained in the September 2002 OET Fee Filing  
Guide. The referenced license request contains classified and proprietary  
information that is being sent under separate cover to the FCC Security  
Operations Staff Address.

In accordance with CFR 47 Paragraph 0.459, The Boeing Company is  
requesting this license application be withheld from public inspection.  
Information contained in the application is specifically authorized under criteria  
established by Executive Order to be kept secret in the interest of national  
defense or foreign policy and are in fact properly classified pursuant to such  
Executive Order. In accordance with CFR 47 Paragraph 0.457, this justification  
provides automatic protection from public inspection.
