

Up to 18.3m

The diagram shows a vertical mast structure. On the left, a dimension line with arrows at both ends spans the height of the mast, with the text 'Up to 18.3m' centered next to it. The mast itself is a thick vertical line. At the top, there is a horizontal bar with two vertical lines extending upwards from its ends, representing antennas. To the right of the mast, there is a text block. At the bottom right, there is a note 'Not to Scale'.
