Special Conditions:

- (1) In lieu of frequency tolerance, the occupied bandwidth of the emission shall not extend beyond the band limits set forth above.
- (2) Licensee should be aware that other stations may be licensed on these frequencies and if any interference occurs, the licensee of this authorization will be subject to immediate shut down.
- (3) Licensee must get consent from Broadband Radio Services and Educational Broadband Service licensees in the 2495-2650 MHz band.
- (4) This authorization is issued for the express purpose of conducting experimental operations described in the related application and required by Defense Information Systems Agency contract number SPO700-98-D-4002. The use of this radio station in any other manner or for any other purpose will constitute a violation of the privileges herein authorized. Except as subsequently authorized by the Commission, this radio station shall not be operated after the expiration date of the contract designed in the related application and enumerated above.
