COMSAT a U.S. corporation, affirmatively states that it does not in any manner act as a representative of a foreign government or a subdivision thereof nor would the authorization sought herein be used for the exclusive purpose of developing radio equipment for export that would come under the jurisdiction of a foreign government. The applicant has never had any FCC station license revoked or any application for permit, license , or renewal ever denied by the Commission.

COMSAT further states that grant of this request would not have a significant environmental impact and, thus, does not require an Environmental Statement under Section 1.1307 of the Commission's Rules. Unless otherwise indicated in an attachment to this request, the authorization sought herein will not be sought for fulfilling the requirements of a government contract with an agency of the United States Government.

In addition, COMSAT further certifies that neither the applicant , nor any other party to this application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 853a.

This temporary license is sought by COMSAT to operate 150 INMARSAT-M terminals from temporary-fixed locations in the United States to test the communications capabilities of Inmarsat-M technology. COMSAT will submit to the Common Carrier Bureau a request for special temporary authority to provide satellite communications services to the subject terminal(s) via the INMARSAT system for the purposes stated herein.

Accordingly, COMSAT respectfully submits that the public interest would be served by the operation of the subject terminal for the aforementioned purposes and, thus, requests that the Commission grant the instant request for temporary authority.

The requisite filing fee of \$45 is enclosed.

Respectfully submitted
