COMMISSION**

Special Conditions:

- (1) All customers participating in the experiment shall be informed that this operation is for experimental purposes only and can be cancelled at any time.
- (2) Prior to equipment authorization or a determination of compliance, the device must be accompanied by a conspicuous notice worded as follows: "This device has not been authorized as required by the rules of the Federal Communications Commission. This device is not, and may not be, offered for sale or lease, or sold or leased, until authorization is obtained."
- (3) Operation in the 896-901 or 935-940 MHz band requires consent of local SMR licensee(s) to avoid interference.
- (4) Operation is limited to 100 non-FCC approved units.
- (5) This authorization explicitly does not authorize market studies. No revenue may be generated by the use of equipment authorized under this authorization for any parties involved, including the licensee and any intermediaries.
- (6) Future applications to renew this authorization will not be considered.
- (7) The grant of this authorization covers the following applications: 0348-EX-ST-2000 and 0351-EX-ST-2000.
