Experimental Licensing Branch Office of Engineering and Technology

The following application is attached for your review:

Applicant: Broad Comm Inc.

File Number: 0398-EX-ST-2013

Start Date: 5/4/2013

End Date: 5/13/2013

Why STA Is Necessary :

This regards a request by Broad Comm, Inc. The FCC has granted Broad Comm and others similar requests for several previous events. The number of frequencies and units requested is to satisfy the needs of this activity and to allow for the fact that the frequency are shared with other authorized users and therefore may not always be available.
