

Need for STA

This regards a request by Broad Comm, Inc. (Broad Comm) for Special Temporary Authority (STA) to allow use of the UHF frequencies listed below. The purpose is to provide logistics support and related activities (including pre and post event activities) for auto racing events at a number of venues and dates as listed below over the period from May 25, 2014 through August 31, 2014. All listed frequencies are requested for each venue.

Broad Comm provides radio frequency support services to various entities at major events. The FCC has granted Broad Comm and others similar requests for numerous previous events. Due to the magnitude of these events the use of several frequencies and units is required.
