Message:

Mr. Libin,

We are unable to process your application prior to timeframe your request. The frequencies that you applied require sending to other bureaus and NTIA for coordination. If you would like to do an expedite request, please send the letter directly to Mr. Burtle. When he approves, please let me know.

Another thing, I reviewed many applications from your company that just submitted yesterday. Some of them I can process immediately, but some of them I can not because their frequencies need to coordinate with other bureaus and they need 30 days for doing coordination. Again, please send expedite request direct to Mr. Burtle as you did before.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 01, 2008 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
