Message:

Mr. Libin,

There are a couple issues regard to your application

1-Please submit the application 30 days before starting date of experiment 09/02/2014. NTIA coordinator does not accept the application for very short time coordination except it is used for emergency or rescue. If you would like to request expedite, please send a letter to Walter Johnston to get his approval.

2- Please verify the unit of frequency 2240 kHz having a large 10 MHz bandwidth for emission designator.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 26, 2014 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
