This email is your AFTRCC coordination.

This coordination includes this header information, DOD Area Frequency Coordinator comments and AFTRCC comments. These messages must not be separated.

This message is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgment that the frequency(ies) is best suited for the applicant's purpose nor that the frequency(ies) is exclusive to the applicant. Flight Test frequencies are shared and may require scheduling with other users.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and harmless AFTRCC, its officers, directors, agents, members, and representatives from any claims, losses, or expenses that may arise as a result of the use of the frequency.

This coordination is not an authorization to transmit. A copy of this coordination must accompany application to the FCC.

Subject: AFTRCC ICN 1231-11/4156 (BSI STA/PGA Event-Dublin, OH)

AFTRCC concurs with and requests DOD AFC USAF coordination on the following FCC STA request:

Applicant:

Broadcast Sports Inc.

7455 Race Road

Hanover, MD 21076

POC: David Musil (410) 564-2600

Frequencies: (all MHz)

1440.0/1450.0/1460.0/1470.0/1480.0/1490.0/1500.0/

1510.0/1520.0/2365.0/2375.0/2385.0

Station Class: MOEC

Emission: 10M0D7W

Power: .250 watts (250 mW)

Location: Dublin, OH (40-08-14N 83-08-32W)

MIRAD: 3 miles

Dates: 2011-05-30 thru 2011-06-05 (intermittent)

AFTRCC comments: For AFC USAF-AFTRCC records show only 1 record within 50 miles of location 39N/83W @ MHz 2390.0/MOEC/W.63/MIRAD 7.5 miles and should not be a factor. For BSI: Coordination is for ground transmission only and non-interference basis to Flight Test telemetry.

Please reply via email as to concurrence, non-concurrence, scheduling requirements, or comments.

Signed:

Wayne Morris
