Special Temporary Authority
File No. 0276-EX-ST-2008
STA Confirmation No. EL185985

Broadcast Sports Inc. (the “applicant”), is a video production company which provides audio and video for broadcast, satellite broadcast and cablecast of sporting and other events. Applicant holds certain LTTS, BAS and Private Wireless licenses for this purpose. However, available channels for voice audio to coordinate production activities are extremely limited on the return.

The applicant has been engaged to provide voice audio services for the upcoming horse race at the Belmont Park race track in Elmont, New York from June 2 – June 8, 2008. As the sole provider of communications to ABC/EPPN for televised coverage of this event, it is necessary to use 80 mobile handheld units in order to sufficiently cover the event. Applicant hereby request, an application for Special Temporary Authority (“STA”) to utilize 80 mobile handheld units on channel 14 (470-476) on a short-term, temporary basis.

Due to the proposed low power operation by applicant, no interference is anticipated. Should any interference be reported, applicant will cease use of any portion of the requested bands immediately, unless and until remedied.

Applicants delay in submitting the STA request is due the last minute contract negotiation and thus the applicant filed as soon as it was possible. It is with this that applicant request expedited review and the STA granted.
