STA Confirmation No. EL998451

Broadcast Sports Inc. (the “applicant”), is a video production company which provides audio and video for broadcast, satellite broadcast and cablecast of sporting and other events. Applicant holds certain LTTS, BAS and Private Wireless licenses for this purpose.

The applicant has been engaged by CBS to provide two-way communications services for the upcoming golf tournament at the Bridgestone World Invitational, Firestone Country Club in Akron, OH from July 29 – Aug. 4, 2008. As the major provider of communications to CBS and others (i.e., NHK, Sky sports, XM Radio) for televised coverage of this event, it is necessary to use 126 mobile handheld units in order to sufficiently cover the event. Applicant hereby request, an application for Special Temporary Authority (“STA”) to utilize 126 mobile handheld units on channel 18 (494-500 MHz) on a short-term, temporary basis from July 29 – Aug 4, 2008.

Due to the proposed low power operation by applicant, no interference is anticipated. Should any interference be reported, applicant will cease use of any portion of the requested bands immediately, unless and until remedied.
