This e-mail is your AFTRCC coordination.

The coordination includes this header information, DoD Area Frequency Coordinator comments, and AFTRCC comments. These three messages must not be separated.

This recommendation is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgement that a recommended frequency is best suited to the applicant's purpose nor that the frequency is exclusive to the applicant. Flight Test frequencies are shared and may be subject to scheduling with other agencies.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, members, agents and representatives from any claims, losses or expenses which may arise as a result of the applicant's use of these frequencies.

A copy of this coordination must accompany your application to the FCC.

This e-mail is your AFTRCC coordination.

The coordination includes this header information, DoD Area Frequency Coordinator comments, and AFTRCC comments. These three messages must not be separated.

This recommendation is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgement that a recommended frequency is best suited to the applicant's purpose nor that the frequency is exclusive to the applicant. Flight Test frequencies are shared and may be subject to scheduling with other agencies.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, members, agents and representatives from any claims, losses or expenses which may arise as a result of the applicant's use of these frequencies.

A copy of this coordination must accompany your application to the FCC.

AFTRCC concurs and requests coordination of the 1435-1525 MHz band and the 2360-2390 MHz band for a Special Temporary Authority (STA) on a non-interference basis as follows:

Usage: Portable Video transmission for Televised coverage of a PGA Golf event:

Applicant:

Broadcast Sports Technology
1360 Blair Drive, Suite A, Odenton, MD 21113-1343
POC Peter Larsson (Tel) 410-672-3900
(Email) peter.larsson@L-3com.com <mailto:plarsson@bst.wescam.com>
Site POC: Bob Weeks (Cell) 410-490-6146

S-Band Frequencies: 2367 and 2384 MHz

L-Band Frequencies: 1443.5, 1460.5, 1477.5, 1494.5 and 1511.5 MHz

Emission: 17M0FXW Power: 1.5W

Class: MOEC

Area of operation: 1 MIRAD (1.6 kmRAD) of:
Pebble Beach, CA (36-34-42N / 121-57-54W)

Dates of operation: 2/3/2004 through 2/8/2004

AFTRCC recommends the FCC add the following restriction(s) to the grant of this authorization:
SPECIAL CONDITION: Scheduling required for each usage with Western Area Frequency Coordinator, Tel: 805-989-7983, prior to operation. Failure to comply with the FCC restrictions may subject the user to fines and forfeitures.

This e-mail is your AFTRCC coordination.

The coordination includes this header information, DoD Area Frequency Coordinator comments, and AFTRCC comments. These three messages must not be separated.

This recommendation is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgement that a recommended frequency is best suited to the applicant's purpose nor that the frequency is exclusive to the applicant. Flight Test frequencies are shared and may be subject to scheduling with other agencies.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, members, agents and representatives from any claims, losses or expenses which may arise as a result of the applicant's use of these frequencies.

A copy of this coordination must accompany your application to the FCC.

This e-mail is your AFTRCC coordination.

The coordination includes this header information, DoD Area Frequency Coordinator comments, and AFTRCC comments. These three messages must not be separated.

This recommendation is advisory only and not binding on the FCC. Applicants are advised that this coordination does not constitute a judgement that a recommended frequency is best suited to the applicant's purpose nor that the frequency is exclusive to the applicant. Flight Test frequencies are shared and may be subject to scheduling with other agencies.

In return for AFTRCC's processing of the applicant's coordination request, the applicant agrees to release and hold harmless AFTRCC, its officers, directors, members, agents and representatives from any claims, losses or expenses which may arise as a result of the applicant's use of these frequencies.

A copy of this coordination must accompany your application to the FCC.
