

Frequency Coordination Exhibit
Broadcast Sports, Inc.
Special Temporary Authority Application
File No. 0652-EX-ST-2006
STA Confirmation No. EL426156

The applicant, Broadcast Sports, Inc., has ascertained that there is no television broadcast station within 100 miles of the proposed operation on television channel 15. Operation is coordinated with the local SBE-recognized frequency coordinator, the Southern California Frequency Coordination Committee. Nevertheless, should any interference be reported to applicant, that portion of the subject band will not be used further unless and until any and all interference is resolved to the satisfaction of the complaining licensee.
