STA Application  
0630-EX-ST-2015  
Narrative Explanation of Operation  
John Deere Golf Tournament  
TPC at Deer Run, Silvis, Illinois  
July 6, 2015 through July 12, 2015**

This application proposes the use of the band 2200-2290 MHz for short-range video relay in connection with video production by the applicant of the U.S. John Deere Classic to be held at the TPC at Deer Run Golf Club located near Silvis, Illinois between July 6 and 12 inclusive, 2015. This period includes setup and testing prior to the event. This is a major golf tournament televised worldwide.

Should any authorized entity using this band report interference during the proposed operations, operation on the offending channel will immediately cease and not resume unless and until the interference complaint is resolved to the satisfaction of the authorized user.

Other licensed channels normally used for video production in this frequency range are not available for this event due to their use by other licensees and authorized services.
