Narrative Explanation of Operation
PGA Championship
Baltusrol Golf Club, Springfield Township, New Jersey
July 24, 2016 through July 31, 2016**

This application proposes the use of the band 2200-2290 MHz for short-range video relay in connection with video production by the applicant of the PGA Championship to be held at the Baltusrol Golf Club located near Springfield Township, NJ July 24 and 31 inclusive, 2016. This period includes setup and testing prior to the event. This is a major golf tournament televised worldwide.

Should any authorized entity using this band report interference during the proposed operations, operation on the offending channel will immediately cease and not resume unless and until the interference complaint is resolved to the satisfaction of the authorized user.

Other licensed channels normally used for video production in this frequency range are not available for this event due to their use by other licensees and authorized services.

The stop buzzer contact for this operation is Mr. Matthew Butler who can be reached at 410-693-5933 or by e-mail at Matt.Butler@I-3com.com.
