Subject: Request for Info - File # 0415-EX-PL-2016

---

Message:

Dear Leann,

I have one more question in modifying the information online.

I see 'Form 442 - New License/Modification of License' at OET experimental licensing page, but when I click it, it requires a callsign for modification. Since the license has not been granted yet, I do not have the callsign.

Would you kindly advise how I can modify the frequency band information?

With many thanks,

-Heeseon
