Subject: Request for Info - File # 0415-EX-PL-2016

Message:

Dear Leann,

Thanks for your response. I tried to amend application online but it did not allow me to delete the current antenna but only allowed me to add new antenna. I added a new antenna with the frequency band that we will use in the lab. Is there any way to remove the antenna that I had entered previously?

Thanks much,
-Heeseon
