Re: Request for Special Temporary Authorization
Broadcast Sports Technology, Inc. (Odenton, MD); Experimental License
KO2XDO; Request for Special Temporary Authority for Use of Certain 2.3
and 2.4 GHz frequencies; 3rd Quarter (July 1 to September 30, 2001).

Gentlemen:

This request for STA is made on behalf of our client, **Broadcast Sports Technology, Inc.**, a manufacturer and provider of video transmission equipment for remote video and film production at sporting events, and in particular, automobile racing competitions. Your office has granted on prior occasions special temporary authority to utilize certain frequencies at 2.3 and 2.4 GHz for video production purposes, conditioned on coordination with the Aeronautical Flight Test Telemetry Coordination Council (AFTRCC).

Further special temporary authorization is hereby requested for operation at the locations and dates listed in Exhibit A, attached herewith. The coordination with AFTRCC has been partially completed and all appropriate fees have been paid. Enclosed as Exhibit B are the coordination approvals received from AFTRCC for events in the month of July. We will forward the remaining coordination approvals when we receive them.

The frequencies and power levels are as follows for the events with an "X" in the 2.3 box on **Exhibit A**:

<u>Frequency (MHz)</u>	<u>Power Output</u>	<u>ERP</u>	<u>Emission Designator</u>
2367	1.5 watts	16 watts	20MOFXW
2384	1.5 watts	16 watts	20MOFXW

The frequency and power level are as follows for events with an "X" in the 1.4 box on **Exhibit A**:

<u>Frequency (MHz)</u>	<u>Power Output</u>	<u>ERP</u>	<u>Emission Designator</u>
1435-1525	1.5 watts	16 watts	20MOFXW

The video transmitters are TVT-50 units. The camera/transmitters will be installed in race vehicles or used at golfing events. BST will charge fees for the video production services performed.

Inquiries or notifications during the STA period can be directed to this office, or to Peter Larsson at BST, who can be reached at (410) 672-3900 (telephone), (410) 672-3906 (facsimile), or plarsson@bst.wescam.com (email).

The original of this STA request is being filed in Pittsburgh, together with the requisite filing fee in the amount of \$50.00, by check of this office payable to the Commission. Copies of the check and the FCC Form 159 are attached hereto as evidence of filing today.

Should any question arise concerning this application, kindly notify the undersigned counsel. Your prompt review of the instant request is greatly appreciated.

Yours very truly,

Christopher D. Imlay
