Subject: Request for Info - File # 0698-EX-CN-2021

---

Message:

Hello,

In this email I respond to your question:

“Please provide the coordinates (latitude/longitude), radius of operation and stop buzzer information.”

The latitude and longitude of the hospital is as follows:

39.948154, -75.15596

The radius of operation is at most 250m, but please note we will use the device inside the hospital, so in practice it will be less.

For the stop buzzer contact you can put:

Benjamin Van den Driessche

1177 6th Avenue, 7th Floor

New York, NY 10036

+1-(216)-777-9234

Sincerely,

Bertold Van den Bergh
