

**TRK 200410 (NG T200386) Summary**

| Attribute             | Record Parameter  |
|-----------------------|-------------------|
| Serial Number         | NG T200386        |
| Frequency             | M2835.0000        |
| City                  | HILLSBORO         |
| State                 | ND                |
| Transmitter Radius    | 20                |
| Transmitter Latitude  | 472127.00N        |
| Transmitter Longitude | 0970344.00W       |
| Antenna Height        | 0017              |
| Receiver Latitude     | 472127.00N        |
| Receiver Longitude    | 0970344.00W       |
| Service Type          |                   |
| Equipment Type        | C,CSP LWR-D,PD66M |
| Antenna Type          | SLOT TDWVGD       |
| Flight Level          |                   |
| Runway Number         |                   |
