EXHIBIT No. A

This authorization is to be used for fulfilling the requirements of a government contract with an agency of the United States Government. The commissioning coordinator, Mr. Bernie Gusman of Comsat General, has requested that this corporation file an FCC form 442 pursuant to obtaining commissioning authorization within the INMARSAT system.

We will be using the authorization to operate within the confines of this system only on terminals type accepted through the INMARSAT authority.

We have filled out a request for Space Segment to be allocated for this company to perform transmissions for the purpose of conducting business in the State of Alaska.

Respectively Submitted,

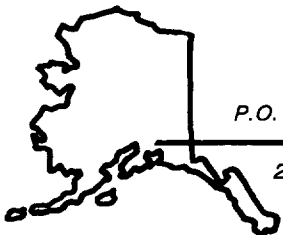

Jerry L. Ilkenhons
VP Sales & Operations.
