

Justification to be exempt from remitting application fees for form 442:

Please wave the application fee for EL492605, Application for Experimental License (0254-EX-PL-2007). The applicant is a state government agency (California Department of Fish and Game) conducting research on wildlife (Project Description). If the agency deems it necessary to charge this applicant, there may be a delay in the project initiation, thus loss of valuable information.
