Dear FCC,

My apologies, I am new to submitting FCC requests for California Department of Transportation Office of Radio Communications. I believe we are exempt from paying the \$70 filing fee. My management does not remember having to submit a credit card to file applications.

Also I contacted the FCC call center to verify we are exempt because we are a government entity.

Our Caltrans FRN # 0011640398

An existing call sign is WQBH796

Hopefully this will suffice.

Thank You,

Bud Rojas
