Dear FCC Representative,

The State of California, Department of General Services, Telecommunications Division (DGS-TD), the Assignor, and the County of Sutter, the Assignee, have completed a FCC Form 702, for the purpose of assigning five experimental authorizations. I have attached the completed FCC Form 702, for the purpose of assigning five licenses from the State of California to the County of Sutter. We found it difficult to use the "online" Form 702, since two signatures were needed, so have instead provided the forms as printed from your web site.

If you have any questions, please feel free to give me a call at anytime at (530) 368-0293, or by email at mheggli@earthlink.net. I have be contracted by the County of Sutter to assist in following this assignment until FCC notifies the County of Sutter of the successful transfer of these licenses to the County of Sutter.

Thank you for your time and consideration, and would like to mention that your office has provided excellent support and direction in making this transfer of licenses take place. I would like to specifically acknowledge the assistance of Mr. Carl Huie in providing a great deal of assistance through this process.

Sincerely,

Mark Heggli
