Subject: Additional Information Request

---

Message:

Re: provide a separate coordination request (CR) for the 1615-1617.5 and 1615.025-1617.5 MHz bands. MHz band. These frequency bands are not allocated for Inter-satellite service.

Answer:

The API with the remaining S Band uplink, and the CR with the L bands, have been uploaded as exhibits to the application.
