Behnam:

In response to your e-mail to Ken Oyadomari dated April 4, 2019, below are the exact lat/long coordinates for the two earth stations involved in this application:

Ground Station 4:

Location: Boardman, OR

Operator: Maris Developments

Lat/Long: 45° 51' 16.6" N / 119° 37' 55.1" W

Ground Station 5:

Location: Kileville, OH

Operator: Haras Development

Lat/Long: 40° 06' 15.4" N / 83° 11' 58.4" W

Sorry for any confusion. Please let me know if you have any questions.
