Subject: *Letter of Intent to use Inmarsat Equipment for Caprock Alaska, Inc.*

Dear Mr. Wright:

Caprock Alaska, Inc. is an Alaskan corporation which mines gold in the interior of Alaska. Their camp is located just South East of Fairbanks. In the remote location of this mining camp, there exists no form or facilities of communication.

It is Caprock's intent to purchase and use an Inmarsat land-based satellite communications system. The unit is an MTI (Mobile Telesystems, Inc.) MCS-9120.

This unit will be used for vital communication needs within the camp. The camp will be opened for approximately 4-5 months.

Address for Caprock in Anchorage, Alaska is:

Caprock Alaska, Inc
12921 Mission Circle
Anchorage, Alaska 99516
Attn: Ms. Christi Tomlinson

If you have any further questions regarding the intent of use for this unit, please do not hesitate to contact me at (907) 264-7614.

Regards,

Joe Valenzuela
Account Executive, Alascom
