August 2007

On behalf of CardioMEMS, I am pleased to announce that, effective July 30, 2007, we have moved our corporate headquarters to a new location. Our new contact information follows:

Address: 387 Technology Circle NW, Suite 500
Atlanta, GA 30313

Toll free: 866-240-3335 (this number has not changed)

Telephone: 678-651-2300

Fax: 678-651-2400

CardioMEMS is one of the first tenants in the Technology Enterprise Park, a master-planned biotechnology campus adjacent to Georgia Tech. We now occupy 37,000 square feet of space (more than twice the size of our previous location) in this brand new, state-of-the-art facility. The relocation/expansion will allow us to continue to provide superior service to our current endovascular customers and accommodate the necessary resources to support our pivotal trial in congestive heart failure and the development of cardiac surgery and other applications of our proprietary technology platform.

We look forward to continuing to partner with you and thank you for your continued support of CardioMEMS.
