Please provide the information

- The necessary bandwidth that your company will use when using frequency band 30-42 MHz with emission N1N.
- Since this license is used for experiment only. We have a limit to use number of equipment in doing experiment. Since your company would like to use too many equipments, so please provide a narrative statement to explain number of equipments.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 03, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
