Subject: Additional Information Request

Message:

NASA is waiting on the response to their question. Is it possible for Care Weather Technologies to change their frequency band to avoid interference with NASA operation in the band 468.45-469 MHz? (yes/no)

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of October 26, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
