Subject: ITU Cost Recovery Fees for the Veery-RL1 Satellite.

Reference: FCC Experimental Application File Number 1840-EX-ST-2020.

Dear FCC Secretary,

Care Weather Technologies is aware that as a result of actions taken at the International Telecommunication Union's 1998 Plenipotentiary Conference, and further modified by the ITU Council in subsequent years (1999, 2001, 2002, 2004, 2005, 2008, 2012 and 2013), processing fees will now be charged by the ITU for satellite network filings. As a consequence, Commission applicants are responsible for any and all fees charged by the ITU.

Care Weather Technologies hereby states that it is aware of this requirement and unconditionally accepts all cost recovery responsibilities associated with the ITU filings for the Veery-RL1 satellite. Please address all correspondence related to the Veery-RL1 satellite to the following point of contact:
