Date: August 29, 2001

Subject: Missing Exhibit

Message:

Your application must include a description of your experiment. Please add an attachment to your application describing what you want to do. Also, please note that the 418 MHz to 420 MHz frequencies are for government/military use. Unless you have a military related use then please amend your frequencies to start at 420 MHz or higher.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 29, 2001 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
