Dear Sir:

CBS Communication Services Inc. (CCS) hereby requests a Special Temporary Authority (STA) to operate on frequency 2.521 GHz. for the PGA Golf tournament to be played at:

Firestone Country Club
452 East Warner Road
Akron, OH 44319
Coordinates: 41° 0.48' N latitude, 81° 30.03' W longitude

As has been our past practice, Broadcast Sports Technology, a manufacturer and provider of video transmission equipment for remote video and film production sporting events will be providing equipment and expertise.

Most of the broadcast auxiliary frequencies which CCS would normally request are unavailable due to regular use by Part 74 licensees on site and in the area. Therefore, in addition to the frequencies which CCS and BST have existing authority to use, we hereby request, for the period August 25 - 30, 1998, use of the following frequency:

Frequency (mHz)	Power (watts)	Emission
2521.00	4	17M0F9W

All operation will be on a non-interference basis to licensed users. CCS will use the enclosed Data World Frequency Search to coordinate use of the requested frequency with licensed entities and CCS will obtain all necessary concurrence, as has been done in previous instances.

All operation will cease on the frequency upon report of any interference. The contact person will be the undersigned and can be reached at:

Tel # (202) 457-4602
Fax # (202) 457-4615
Pager # (888) CBS-BEEP (227-2332)

The applicant, CCS Inc., certifies that no party to this application is subject to a denial of Federal benefits pursuant to Section 5301 of the anti-Drug Abuse Act of 1988, 21 U.S.C. 853a.

The original of this STA request is being filed in Pittsburgh, together with the requisite filing fee in the amount of \$45.00. A copy of the FCC 159 Fee form is attached hereto as evidence of filing today.

CBS Communication Services Inc. appreciates your prompt review of this urgent request due to the short timetable available, and apologizes for the short notice. Should any questions arise concerning this request, kindly notify me at the above referenced telephone number.
