

Description of Transaction

This application seeks Commission consent to assign the experimental license issued to TRN Atlanta, LLC ("TRN") call sign WD2XOW to CBS Outdoor Group Inc.¹

The experimental license is being used to develop a novel and unique mobile communications service that will benefit the public by providing vital information, including but not limited to traffic, weather, and emergency situations, to passengers traveling on subway and rail trains throughout the United States.

The public interest would be served by the approval of the requested application as the assignment is necessary to continue the development of innovative communications products and technologies.

¹ Call sign WD2XOW was granted under File Nos. 00058-EX-PL-2005, 0106-EX-ML-2005, and 0096-EX-ML-2006.
