Message:

Dear Mr. Dave Gross:

Please complete the Transmitter section of the application by reporting the frequencies, the powers in peak ERP, the emission designators and the tolerances in percentage. Please be aware that the location of the base and mobile operations should be reported as the geographical coordinate of the base station to the nearest second and a radius in kilometers from that coordinate defining a circle which encompasses the mobile operations.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of November 22, 2004 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
