Re: CellNet Data Systems; Experimental Radio Service; One
FCC Form 442 Requesting Modification and Renewal of the
License for Call Sign KG2XAW

Dear Sir or Madam:

Transmitted herewith, on behalf of CellNet Data Systems
(CellNet) is an original and one (1) copy of the above-captioned
application requesting modification and renewal of the license
for call sign KG2XAW. Accompanying the application is a check
made payable to the FCC in the amount of \$45.00 to cover the
requisite filing fee.

Please note that on January 18, 1994 in a letter to H.
Franklin Wright, of the Office of Engineering and Technology, we
advised the Commission that Domestic Automation Company had
changed its name to "CellNet Data Systems" with respect to
station KG2XAW. The Experimental staff notified us that the new
name would be noted in the existing FCC file and that upon
renewal of the authorization, a new license reflecting CellNet's
name would be issued.

We trust that the application will be found to be complete
and in order for final action by the Commission. Should any
questions arise in connection with this matter, the Commission is
respectfully requested to communicate with the undersigned.

Very truly yours,

Shirley S. Fujimoto /kcs
