The list of contract numbers submitted for the above referenced application does not contain the previously reported contract numbers ATM-9616417 and N000 14-96-1-1112 as stated in the current license condition #2. Have contracts ATM-9616417 and N000 14-96-1-1112 expired?

Also, please confirm that a total of two devices will be used under this experimental license.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of February 27, 2003 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
