Subject: Additional Information Request

---

Message:

Hello Nimesh,

Below are the responses to your requests.

1) The applicant needs to complete and return the attached pdf file. This will be emailed to you separately.

The "Additional Data for API" document has been uploaded as an exhibit to our application, as well as included in the accompanying email. Notes and responses are appended to the end of the document.

2) The applicant will need to provide the Globalstar companion file number.

The Globalstar companion file number is 0179-EX-CN-2021.

Best,

Austin
