DISMISSED-WITHOUT PREJUDICE

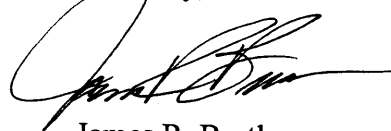

Dear Danny Hankins,

This refers to application, File No. 0254-EX-PL-2004, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. This application was dismissed due to the Commission's ongoing efforts to resolve issues related to the use of GPS re-radiation equipment using Part 15 restricted frequencies. These efforts are anticipated to go on for some time. You are invited to re-file an application at a later date should these issues be resolved in a manner that would allow this type of operation.

Responses to this correspondence must contain the Reference number : 3415

Sincerely,

A handwritten signature in black ink, appearing to read 'James R. Burtle', with a stylized flourish extending from the end.

James R. Burtle
