

From: Danny Hankins

To: Anthony Serafini

Date: October 26, 2015

Subject: Request for Info - File # 0414-EX-RR-2015

Message:

Attachments containing the calculations, equations and additional information have been submitted. An attachment containing a request to correct the radiated power from 24.1 pW to 2.41 pW for frequency (1227.6 MHz) on one radiating antenna is included.

Very Respectfully,

Dan Hankins
Spectrum Manager - SR
Textron Aviation, Inc.
