Re: Licensee Name Change for Experimental Licenses

Dear Sir or Madam:

I am writing on behalf of NIITEK Inc. to notify the Office of Engineering and Technology of an upcoming name change. NIITEK Inc., which currently holds two experimental licenses, will be renamed Chemring Sensors and Electronic Systems, Inc. effective October 28, 2016.

The name change will occur in conjunction with an internal reorganization. The reorganization does not involve a transfer of control of NIITEK Inc. nor does it include an assignment of NIITEK Inc.'s assets (including licenses).

The name change to Chemring Sensors and Electronic Systems, Inc. affects the following experimental licenses:

- File Number 0639-EX-PL-2012, Call Sign WG2XMS (Effective Feb. 15, 2013 to Feb. 1, 2018).
- File Number 0327-EX-PL-2013, Call Sign WG2XMT (Effective Nov. 26, 2013 to Sept. 1, 2018).

Please do not hesitate to contact the undersigned if you have any questions.

Best regards,

Maria T. Browne
Counsel for NIITEK Inc.
