Dear Mr. Young:

Transmitted herewith on behalf of our client, Chevron USA Inc., is an application on FCC Form 702 that that requests assignment of the licenses for stations KS2XFH and QA2XHY from Texaco Communications Inc. to Chevron USA Inc. Accompanying the Form 702 is a completed FCC Form 159 and a check made payable to the FCC in the amount of \$100 (2 x \$50) to cover the required fees. It is believed that the Commission will find the application to be complete and in order for early consideration.

We trust that this application will be found to be complete and in order for early review and action by the Commission. Should any questions arise in connection with this matter, however, the Commission is asked to communicate directly with this office.

Very truly yours,

Wayne V. Black
