Applications for Assignments of Authorization
from Texaco Communications Inc.

Dear Mr. Young:

Transmitted herewith, on behalf of Chevron USA Inc., are the executed page 4, FCC Form 702 and the Certification, page 5 of FCC Form 442. We kindly ask that the these pages be associated with the above-captioned applications that look toward the Commission's consent to the assignments of authorization from Texaco Communications Inc. to Chevron USA Inc.

We are hopeful that the agency will now be in a position to act favorably on both applications. Should there be any further questions concerning this matter; however, please let us know.

Very truly yours,
