

**United States of America
FEDERAL COMMUNICATIONS COMMISSION
EXPERIMENTAL
SPECIAL TEMPORARY AUTHORIZATION**

EXPERIMENTAL

(Nature of Service)

WI9XMZ

(Call Sign)

XT FX MO

(Class of Station)

1070-EX-ST-2015

(File Number)

NAME City of Chicago Office of Emergency Management and Communication

This Special Temporary Authorization is granted upon the express condition that it may be terminated by the Commission at any time without advance notice or hearing if in its discretion the need for such action arises. Nothing contained herein shall be construed as a finding by the Commission that the authority herein granted is or will be in the public interest beyond the express terms hereof.

This Special Temporary Authorization shall not vest in the grantee any right to operate the station nor any right in the use of the frequencies designated in the authorization beyond the term hereof, nor in any other manner than authorized herein. Neither the authorization nor the right granted hereunder shall be assigned or otherwise transferred in violation of the Communications Act of 1934. This authorization is subject to the right of use of control the Government of the United States conferred by Section 706 of the Communications Act of 1934.

Special Temporary Authority is hereby granted to operate the apparatus described below:

Purpose Of Operation:

The City of Chicago and Purdue University is conducting testing and experiments for LTE equipment .

Station Locations

Special Conditions:

- (1) •Applicant project limited to proof of concept demonstrations and testing and will not involve live-duty operations to protect life, property, or safety.
 •Applicant must accept interference from any other user of Band 14 and all operations by Applicant will be on a secondary basis.
 •Applicant must verify that there is no current potential for interference with FirstNet operations or those approved to operate in Band 14 per license (i.e., Illinois State Police).
 •POC is established and sent to FirstNet upon STA approval with "kill switch" authority; Applicant agrees to cease operations at request of FirstNet immediately upon receipt of request to kill switch POC until such time, as determined by FirstNet, that project may continue.
 •Applicant agrees that FirstNet has the right to monitor its operations.
 •Applicant understands that STAs are for a limited period and that FirstNet must ensure its spectrum is clear as circumstance change and deployment becomes closer. Therefore, Applicant agrees that no extensions or reapplications shall be sought for this STA.
