Colorado Springs, CO 80907-1328
Attn: Robert H. Sayers

Dear Mr. Sayers:

We have determined that your applications for Part 5 experimental license renewals were received prematurely. Part 5, Subpart B, Section 5.55(d) of the Code of Federal Regulations states: "Unless otherwise directed by the Commission, each application for renewal of license shall be filed at least 60 days prior to the expiration date of the license to be renewed". Your current licenses for KE2XAK, KE2XAM, KE2XAO, KE2XAQ, KE2XAS, KE2XAU, KE2XAW, KE2XAY, KE2XCQ, KE2XCS, KE2XDS, KE2XDU, KE2XDW, KE2XDY, and KE2XFJ, copies of which are enclosed, do not expire until January 1, 2000. Accordingly, your applications are hereby returned to you to be submitted when your current licenses are due to expire.

Thank you,

Nancy Hey,
Information Technician
Experimental Licensing Branch
